

テイトが見てしまった光景は……？

However well
you may
pretend to be
human, you
cannot deny
your thirst!!

You're
just
the
same!

Somewhere in my mind... someone warned me...

Are also
only a
fragment
of Verloren-
sama
yourself!!

Because
you
...

"Come... Look..."

"This is his true nature..."

"Take a good look at

Frau

...

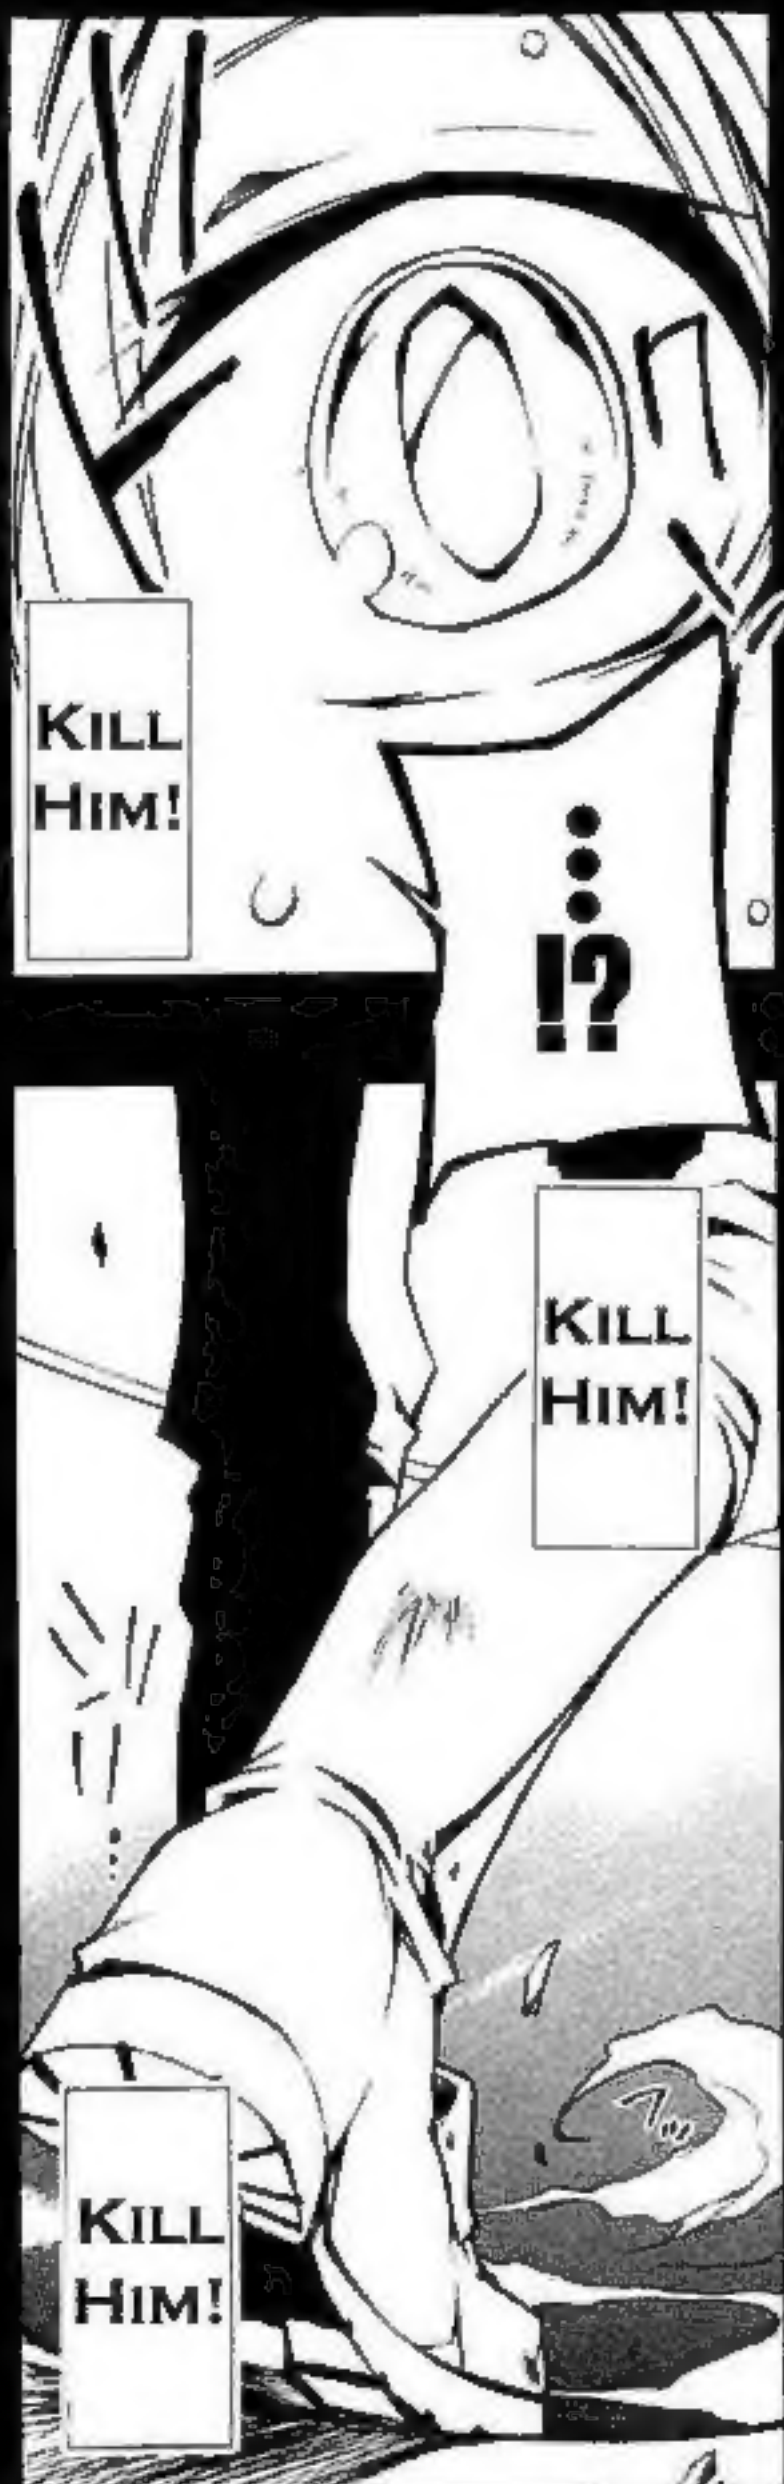

that jet black wing"

"Doesn't it look like... the wing of a messenger of darkness?"

I ABSOLUTELY CANNOT GO NEAR HIM!

THIS GUY IS

AN ENEMY!

**KILL
HIM
!!**

...Ah!!
Frau, let
go of me!

I've been
looking
for you.
...

Stop

Don't tell me,
this is the path
Frau's been
walking
down...?

This is
different from
the place I
once came
to...

But the stairs
that start from
the mark are
still intact...

The stairs
are broken
mid-way...

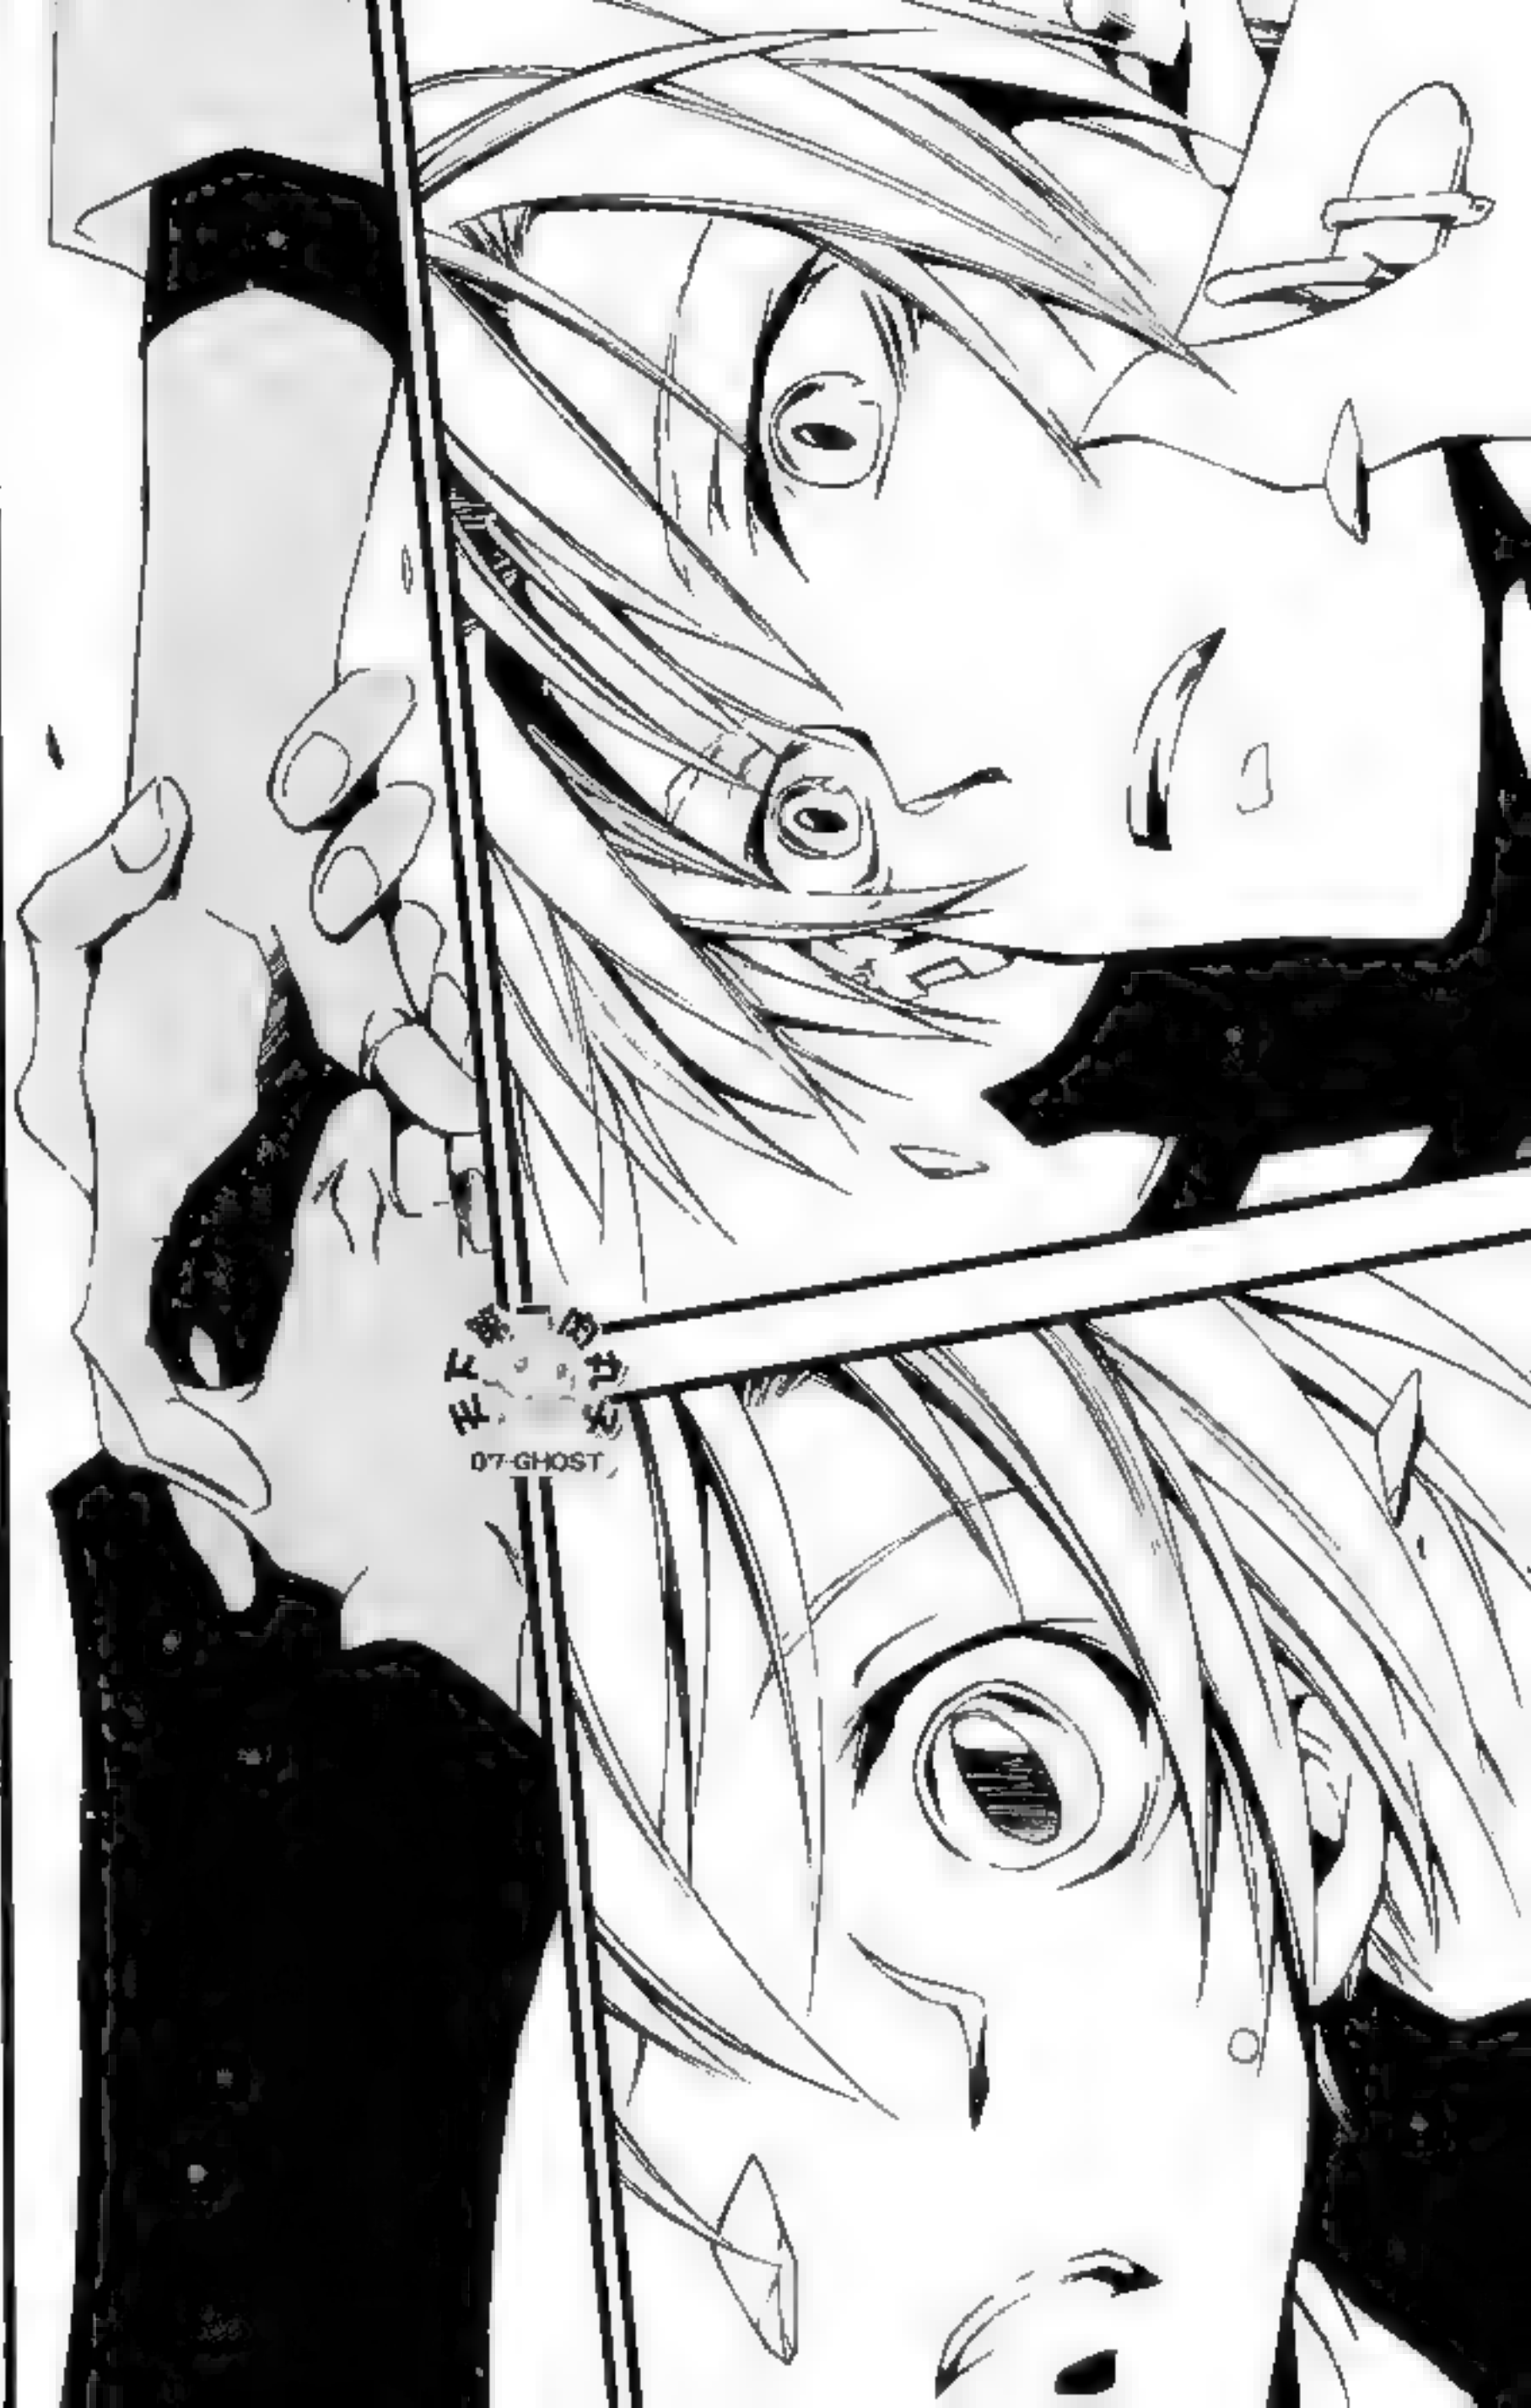

I have a
bad
feeling...

Come
to think
of it,
these
roads are
full of
scars...

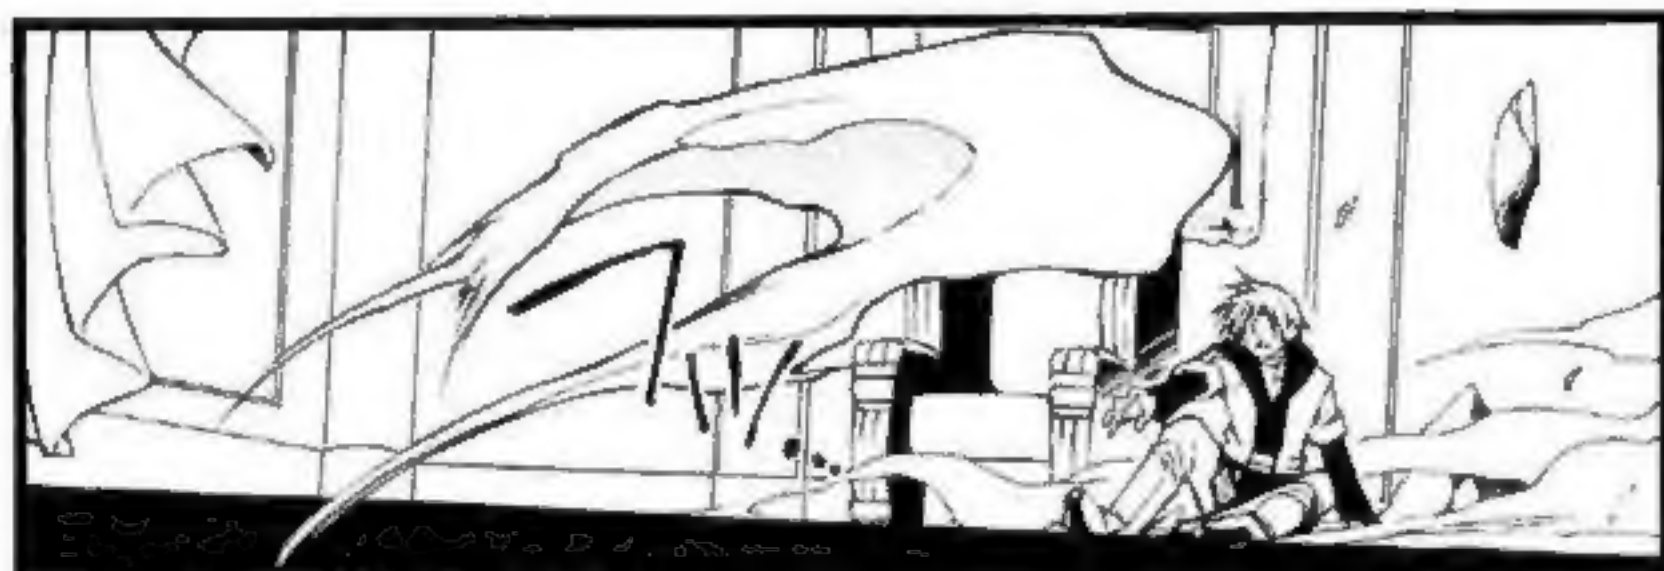

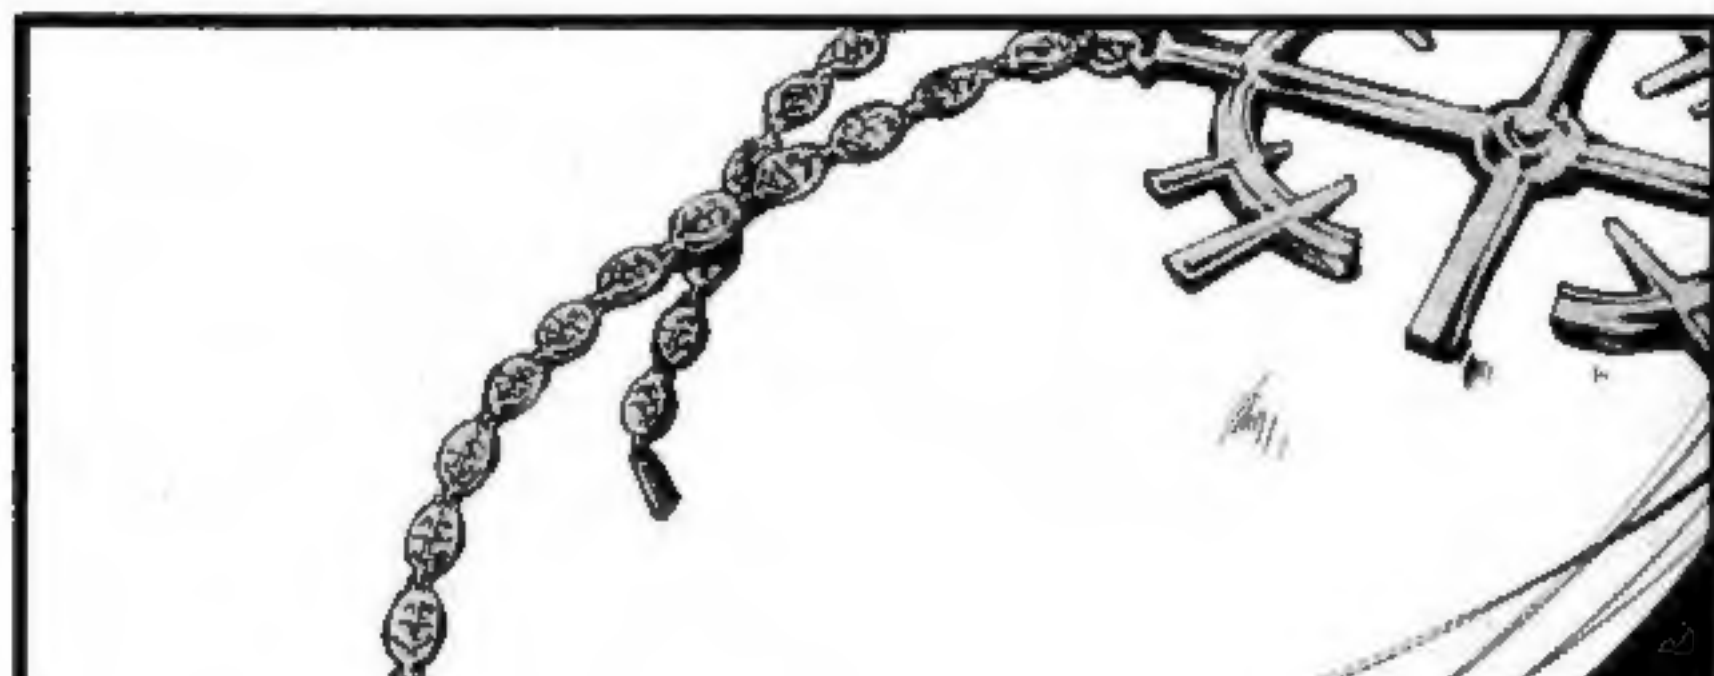

07-GHOST

... If Teito-kun found out who we really are, how do you think he'd feel?

Don't... get any closer to him

Do not let go
of Teito's hand.

Frau, I have
a request
